Guaranty Agreement

Whereas, _____, hereinafter called a "Customer", may from time to time become indebted to ROADRUNNER ROOFING SUPPLY INC. a Texas Corporation, doing business at 1900 Timberlake Drive, Arlington, Texas 76010 being hereinafter called "Company". Now, therefore, for a valuable consideration, the receipt of which is hereby acknowledged, the undersigned, whether one or more, being hereinafter called "Guarantor", jointly and severally, hereby guarantees to Company the prompt payment, as same shall become due (as that term is hereinafter defined of any such indebtedness,) upon the following terms and conditions:

The Guaranty herein shall apply to all indebtedness of every kind and character, whether now existing or hereafter arising, of Customer to Company whether represented by goods, wares and merchandise purchased on open account, by a written contract, or otherwise, or whether for merchandise or cash advance.

This instrument shall be a continuing guaranty, and the circumstance that at any time or from time to time the indebtedness of the Customer may be paid in full shall not affect the obligation of any Guarantor with respect to indebtedness of Customer to the Company thereafter incurred, provided that any Guarantor may give to the Company written notice that such Guarantor will not be liable hereunder for any indebtedness of Customer incurred after the giving of such notice (which notice shall not be deemed to have been given until actually received by the Company), and in such event the Guarantor giving such notice (as well as each Guarantor who shall not have given notice) shall remain liable on his or its obligations hereunder until the payment in full of: (a) All amounts of unpaid indebtedness on the books of the Company at the time the notice is received: (b) All amounts of unbilled purchased delivered or in the process of delivery at the time then notice is received: (c) Any special order material in the process of procurement at the time the notice is received. In the event that a notice, as permitted in the preceding sentence be given, the obligation of each Guarantor who shall not have given such notice shall, in addition, remain and continue in full force and effect with respect to all other indebtedness incurred after the giving of such notice, just as if such Guarantor who signed this instrument, subject only to the limitation, if any be herein specified, as to the amount of the indebtedness of the Customer so guaranteed.

Unless otherwise stated on the Company sales invoice, the "due date" shall be the month in which any such merchandise shall have been purchased.

In the event of default by Customer in payment of any indebtedness unto the Company, or any part thereof, when such indebtedness becomes due, the Guarantor, jointly and severally, shall, upon demand and without any notice having been given to the Guarantor previous to such demand of the creating or incurring of such indebtedness, pay the amount due thereon to the Company at its corporate office in Arlington Texas, and it shall not be necessary for the Company, in order to enforce such payment by the Guarantor, first to institute suit or exhaust its remedies against the Customer or others liable on such indebtedness, or enforce its rights against any security which shall ever have been given to secure such indebtedness.

Notice to the Guarantor of the acceptance of this guaranty and of the making, renewing or assignment of the indebtedness guaranteed hereby and each item thereof, are hereby expressly waived by Guarantor.

Each payment of the indebtedness of the Customer shall be deemed to have been made by the Customer unless express written notice is given to the Company at the time of such payment is made by the Guarantor, or one or more of them as specified in such notice.

Guarantor agrees that if the Customer executes in favor of the Company collateral agreement, deed of trust or other security instrument, the exercise by Company of any right or remedy thereby conferred on Company shall be wholly discretionary with Company, and that the exercise or failure to exercise any of such right or remedy shall in no way impair or diminish the obligation of Guarantor hereunder, Guarantor further agrees that the Company shall not be liable for its failure to use diligence in the collection of the indebtedness herein guaranteed

or in preserving the liability of any person liable on such indebtedness, and Guarantor hereby waives presentment of payment, notice of nonpayment, notice of intent to accelerate , notice of accelerations, protest and notice thereof, and diligence in bringing suits against any person liable on such indebtedness, or any part thereof.

Each Guarantor agrees that Company, in its discretion may: (a) Bring suit against the Guarantor, jointly and severally, or against any one or more of them; (b) Compromise or settle with any one or more of the Guarantors for such consideration as the Company may deem proper; and (c) Release one or more of the Guarantors from liability hereunder, and that no such action shall impair the rights of the Company to collect the indebtedness guaranteed hereunder (or the unpaid balance thereof) from the other Guarantors of any of them, not so sued, settled with or released. Guarantors agree among themselves, however, that nothing contained in this paragraph and no action by Company permitted under this paragraph, shall in any way affect or impair the rights or obligations of the Guarantors among themselves.

In the event of the death of a Guarantor, the obligation of the estate of the deceased Guarantor shall continue in full force and effect as to the indebtedness of Customer as it exists at the date of death of the deceased, as such is described above in paragraph 2 hereof. As to all surviving Guarantors, this guaranty shall continue in full force and effect after the death of a Guarantor, not only as to the indebtedness of Customer as it exists at the date of death of the deceased, but as to all other indebtedness of the Customer incurred thereafter unto the Company.

This guaranty is for the benefit of Company, its successors and assigns, and the rights and benefits of the Company hereunder may be transferred with such indebtedness without impairing the obligation of any Guarantor hereunder.

The amount of indebtedness guaranteed hereunder shall be without limit and shall include all indebtedness of the Customer unless a limited amount shall be included herein at this paragraph.

In the event that the Company shall find it necessary to file a suit against the Customer and/or the Guarantor hereunder, the Guarantor hereby agrees that the Company shall be entitled to recover judgement for the amount of the unpaid indebtedness of the customer, for interest at the highest legal rate then applicable to the Guarantor, for reasonable attorney's fees and court costs.
